Upgrades, Events & New Laptop Borrowing Service

We will also be holding starter chess classes in the new year. These are suitable for 4th class to 2nd year students and will run on Tuesday evenings from 6.30 - 7.30pm. You can get in touch with us if you are interested in any classes on 056 7794182 or email us at urlingford@kilkennylibrary.ie

New Laptop Borrowing Service

Kilkenny County Council Library service in partnership with Urlingford on the Move and Urlingford Town Team, is pleased to announce the introduction of a new laptop borrowing service

URLINGFORD TOWN TEAM

for library members at Urlingford library

Adult, Young Adult and under 12's - with adult supervision - will be able to borrow laptops for use in the library, from the lapsafe unit using their library card and PIN. The laptop borrowing service will be for individual and group use, so for example students can use for homework or group classes can be run.

There are 8 laptops which are equipped with Microsoft suite and Internet browsers. When borrowed they connect automatically to the library Wi-Fi. Borrowers can print from the laptops using the library Wi-Fi printing service.

We would like to encourage all locals, schools, students, groups and people working from home to make use of this service. You can check out our opening hours on

Upgrades and events

Significant works have taken place in Urlingford Library and a dedicated space upstairs has been upgraded providing a flexible multifunctional room with study desks available. As a result of this investment by Kilkenny County Council Library Service, classes are taking place with funding support from Kilkenny Carlow ETB Community Education to facilitate free flower arranging workshops & beginner sewing classes.

We recently installed an age friendly parking space just in front of the Library, making it easier for our elderly to get parking when visiting us.

These classes are currently under way and a lot of fun and friendships are being made, as well as beautiful floral arrangements for all occasions! We hope to hold more of these classes in the New Year.
