If you are coming by car, you can park across the road in the free car park.

There is pedestrian crossing to help you get safely from the car park to the library.

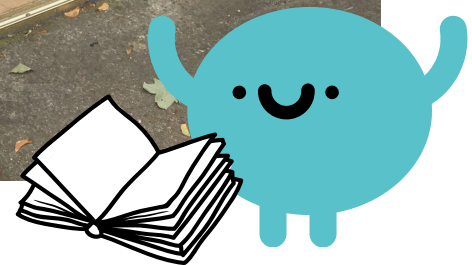

You are very welcome.

Please come in.

**There are many things
you can do in the library.**

**You can find out
about some of them
here on the notice
board.**

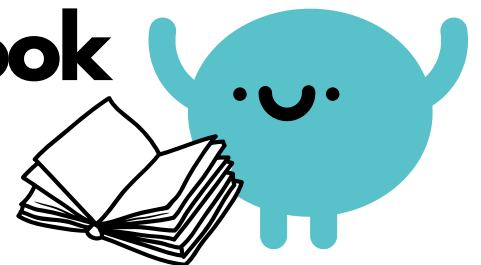

This is the entrance.

Inside there is a special childrens area with lots of books for you to look at and choose.

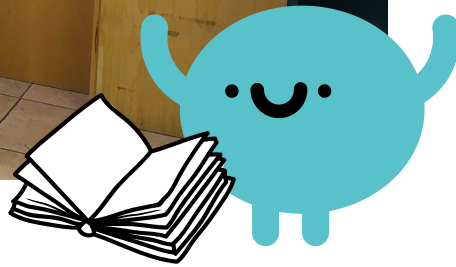

You can sit and look at books here.

There are lots of different books for children of all ages and reading levels.

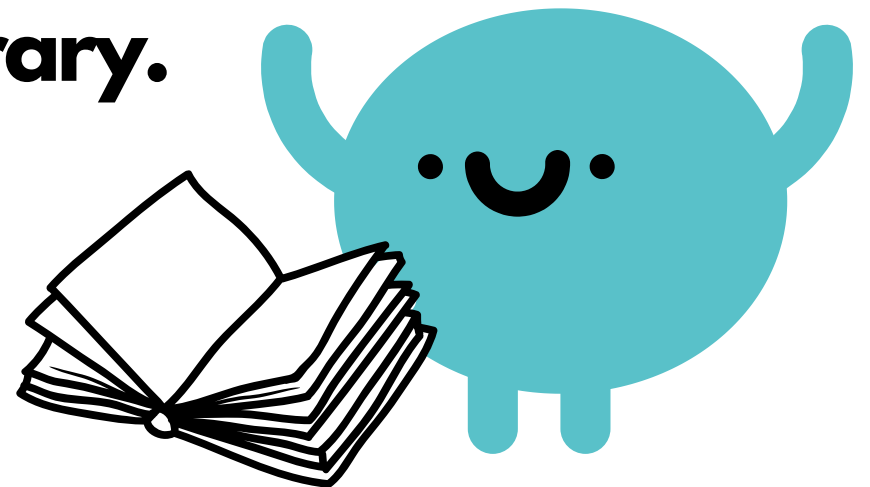

You can choose your own book to take home with you if you are a member.

You can bring them to the desk or check them out yourself at the self-service machine.

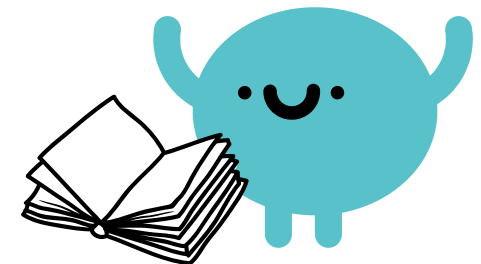

It is important that I try to follow the rules when I am in the library.

- Try to speak quietly.**
- Don't tear or write on the library books.**
- Tidy away any books and toys you have used.**
- Enjoy your time at the library.**

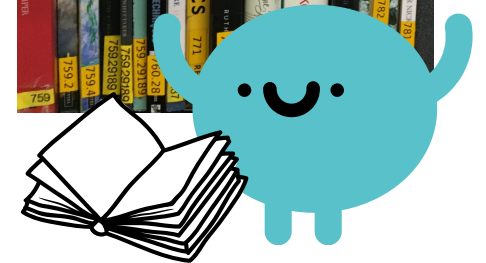

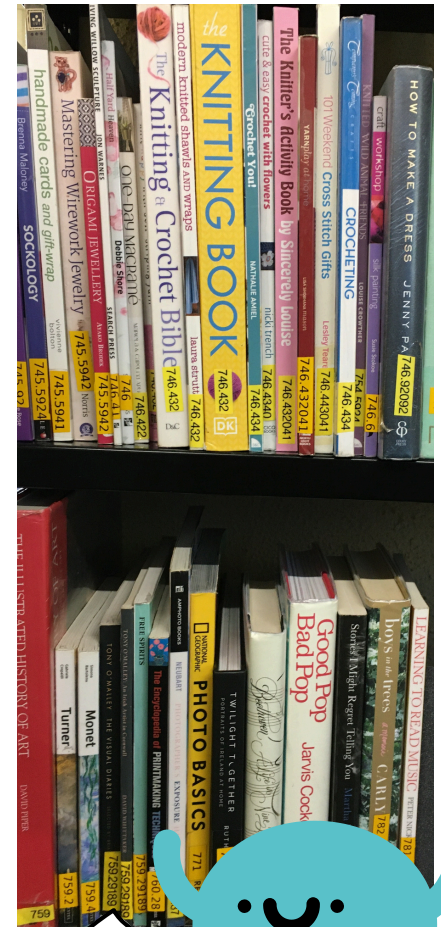

There are some stairs in the library with hand rails if you need them.

Upstairs there is lots of space and it is where the storytime and craft takes place.

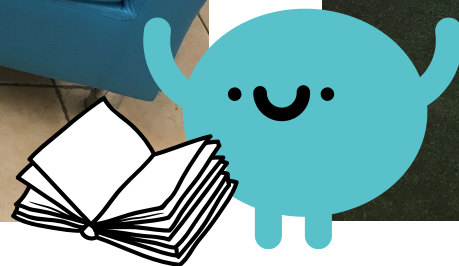

Upstairs there are lots of other books to look at on subjects like travel, history, cooking and art.

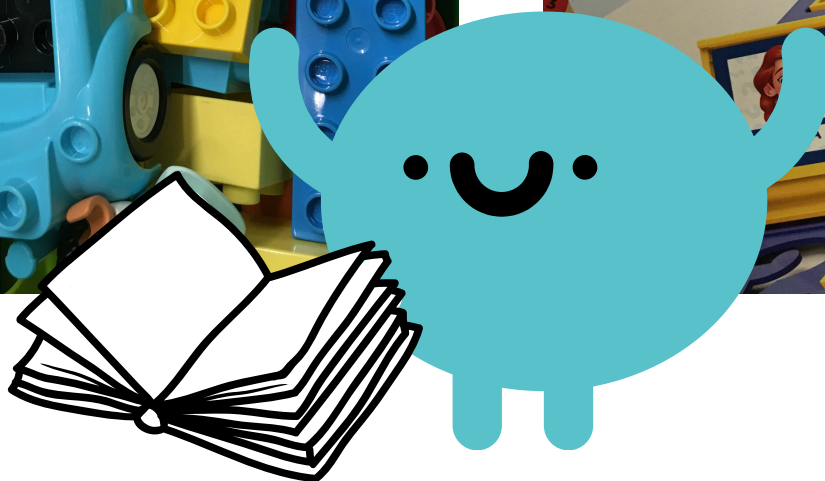

A lot of people use the library and sometimes it can be noisy.

There are some spaces I can sit quietly upstairs and downstairs.

**There are lots of other things to do in the library.
If I ask, I can play with lego or some board games.**

I know I am always welcome at the library.

It is a safe and friendly place.

It is at

**Marsh's Street,
Thomastown,
Co. Kilkenny
R95 HP26.**
