

# A visit to Castlecomer Library

Comhairle Chontae Chill Chainnigh  
Kilkenny County Council

Kilkenny County Council  
Library Service

**Welcome.  
Come in.  
There are many fun  
things to do.**

**I like to go to the children's area.**

**Sometimes there is  
children's story time in the  
library and I can join in.**

**I can pick out my own books to  
take home with me.**

**There are lots of books to choose from.**

**I can check out my books at the self-service machine or I can bring them to the library desk to check out.**

**At the library, I can play lego and board games.**

**Sometimes I can play with the magic table.**

# When I am at the library it is important to follow the rules:

- Speak Quietly
- Don't tear or write on the library books
- Tidy away any books and toys you have used.
- Enjoy your time in the library.

**A lot of people use my library.**

**Sometimes it can be noisy.  
If I need time out I can ask to  
go to a quiet space.**

**We have ear defenders and Lulls headphones for white noise and relaxing music at the library desk if you need them.**

**I know I am  
always welcome  
at the library**

**This is my library.**

# Toy and Sensory Collection

These toys and sensory resources have been carefully selected to help with the development of your child's:

- Gross Motor Skills
- Fine Motor Skills
- Play and Life Skills
- Sensory and Tactile

We have two collections, one in Ferrybank Library and the other in Mayfair Library.

You can request items through your local library.

## **Sensory Book stock**

This book collection is a specialised autism collection for parents, children, teachers and carers. The books are available to Kilkenny Library members and you can request them from your local Kilkenny library branch. The collection has over 300 titles to choose from.

## **Reader Pens**

Reader Pens read words and full lines of text aloud for independent reading. These digital highlighters can be helpful if you have dyslexia, difficulty with reading or pronunciation, are an English language learner or have vision problems. The Reader pen reads text out with a natural speaking voice. They have built-in dictionaries so you can access definitions as you read for better understanding. They can be borrowed, by any library member, for a three-week loan period.
