The Community Room
is on the left.

This is where events
take place.

The Children's Area is on the ground floor.

Comhairle Chontae Chill Chainnigh
Kilkenny County Council

There are also areas for adults and teenagers in the library.
Ask staff to help you find them.

The library is quiet most of the time but it does get busy.

If it gets too busy you can find a quiet space or ask the library staff to help.

I need to, you can ask to use the items in the
Sensory Box or ear defenders.
The library staff will get these for you.

There are lots of books, audio books, DVDs and video games that you can borrow and take home.

You can use your library card to borrow things. You can get one for free by filling out a form at the desk.

A blue membership form is shown on a clipboard. The form is titled 'Membership Form' and includes the Kilkenny County Council Library Service logo. It contains various fields for personal information such as Name, Address, Date of Birth, PIN, Eircode, Mobile No., School, and Email. There are also checkboxes for 'Data Sharing' and 'Under 18's'. A section for 'Children under 18' includes a table for recording child details. The form is held by a silver clip, and a pink pen is visible on the right side.

Toy and Sensory Collection

These toys and sensory resources have been carefully selected to help with the development of your child's:

- Gross Motor Skills
- Fine Motor Skills
- Play and Life Skills
- Sensory and Tactile

We have two collections, one in Mayfair Library and the other in Ferrybank Library. You can request items through your local library.

Sensory Book stock

This book collection is a specialised autism collection for parents, children, teachers and carers. The books are available to Kilkenny Library members and you can request them from your local Kilkenny library branch. The collection has over 300 titles to choose from.

Reader Pens

Reader Pens read words and full lines of text aloud for independent reading. These digital highlighters can be helpful if you have dyslexia, difficulty with reading or pronunciation, are an English language learner or have vision problems. The Reader pen reads text out with a natural speaking voice. They have built-in dictionaries so you can access definitions as you read for better understanding. They can be borrowed, by any library member, for a three-week loan period.
